

ROYAL SOUTH SIDE HASH HOUSE HARRIERS

Run 1764, 26th July 2007

Location: Cornwall St Children's P'ground

Hare: **Inflate-a-Date**

"The following is a true record of events as narrated by Gentlemen of the Hash."

The Run

In a stunning return to form Inflate-a-date steps in at the last moment to save the day and set a run of pure symmetry and grace. The pack enjoy a superb ramble through Lion Rock Garden and Junction Road / Kowloon Tsai parks except for one slight snag, the majority of the pack scope out the neat little reversal at Lion Rock Garden and short cut the whole thing. Doh! A select few of rare integrity (Irish Spew, sporting an alarming bouffant haircut, and one Mr. Ice Dancer) are able to see beyond the ET'esque shortcutting going on and are rewarded by one of the finest runs ever set in Kowloon. The protagonists for the evenings entertainment were, in no particular order;

- Tinks
- Pussyfoot
- Rearend
- Ice Dancer
- Inflate-a-date (hare)
- Coco
- Fleagle
- Caligula
- ET
- Irish Spew
- Haggis
- No name Mark

with special guest appearance from "Low Down Wanker" and his loyal hedgehog

"Roadkill", as well as cameo's from Smegma and Squeak.

The Circle

Squeak is annointed amah (and quite rightly so after, earlier in the week, having the audacity to doubt the committees ability to set a run) and in a bizarre twist greases himself from the can rather than use the pisspots. A magnanimous gesture which saves the pack from contracting any of his orally transmitted diseases. Thereafter this scribes nootes, and memory, go a little hazy but I did recall that we are all paying for Tinks new swimming pool in Hua Hin by autopay.

The On-On

The pack trudges across the road to Baptist Hospital and a surprising OnOn reveals itself; "Billy Boozer", an English style pub packed full of friendly locals and even friendlier barmaids. I think there was some sort of competition between the barmaids to see who could land a permanent job in the pub (so which one will get the job? The one with the biggest t*ts of course!). At one point I glanced up the table and could see Fleagle working the crowd into a frenzy. What a sleaze. Axcellent peppersteaks all round and a monster Carlsberg beer tower rounded off a fine evenings entertainment.

Next Week's Run

Next week's run will be set by the Hashmaster himself. Check you email for location & further details.
