

ROYAL SOUTH SIDE HASH HOUSE HARRIERS

Run 1782

08 November 2007

Location: Bowen Road Garden, Wanchai

Hare: **Inflate-A-Date**

“The following is a true record of events as narrated by The Gentlemen of the Hash.”

Health Warning: Hashing may offend you or affect your health. You may die while on a Hash or as a result of associating with Southsiders or any boa constrictors crossing the road. The Southside Hash accepts no responsibility for any accident, injury or death. You have been warned.

*Your Evening's Hare, **Inflation-A-Date***

The Run

An **Inflation-A-Date** run starting at the Bowen Road Garden above beautiful downtown Wanchai. **Inflation-A-Date** decides to do something different by having three different length runs; Eagles, Doves and DoDods. Listen pal, this is the South Side, you know stiff upper lip tradition and that sort, we don't do different. So a large pack turns left out of the garden and races along Bowen Road. The first check takes the path up the dead-end road of Borrett Road past Carmel school. Here is where things go wrong quickly. Like the typical Cathay Pacific bus driver that he is, **Inflation-A-Date** takes us on a U-turn straight back down a steep stair case and reverses course back onto Bowen Road. He thinks he is flying around Hong Kong airspace with this tricky maneuver. An Angry Pack now runs past the starting point heading for the all-too-obvious intersection of Bowen and Wan Chai Gap Road. The Rambos take a left down the Gap road to Bamboo Court where a check splits up the front runners. Gallant **E&T** finds the true path by turning right onto Kennedy Road. Goofus **SOS** follows and then blows right through a clearly marked On-On climbing back up the hillside at St. Margaret's college. A triple whammy check leaves **E&T** searching high and low and allows the rest of the Midfield to catch him on the steep stairs climbing back up to Bowen Road. Check again at the top but isn't it oh-so-obvious we are turning right and then oh-so-obvious again that we must climb the Dreaded Wan Chai Gap trail. Climb, climb, climb we go up to the right turn onto the Magazine Gap service road. The Dodos find a staircase down and the Eagles continue along the contour trail, shiggy, thingy before breaking out high on Magazine Gap Road. Run like hell down the road and then U-turn onto quiet

The Post Circle

**It shall be noted, observed and agreed upon that Kai Tak rules are in effect whilst in the Friendly Confines of Wanchai*

Inflate-A-Date plays it safe and sets up an On-On at trusty ole Sabah. Leave it to a Canadian to do something daring. Rendang, chick peas, steamed rice and curry, ah the good life, Dolce Vita!.

"Ice Dancer aka Werewolf of Bowen"

The pack disintegrates with indigestion and the usual den of inequity evening commences. **Inflata-A-Date** buys the first round of drinks for his 45th birthday in the Handle Bar. Thanks for the free drink eh, but could you have found some birds under 60 years old? Usual suspects included **D&T, Caligula, Squeak and Nah Phuket. Surprise gueats past their bedtime included ET, Tinks and Obelisk.** DThen its ashort stroll and tumble into Neptunes. A quiet night ensued with the usual wallet-draining activities and the Last Man Standing Award goes to **Caligula and Nah Phuket** sometime past 1:15am.
