The Run

A **Hugh Watt** run starting under the Banyan tree of Blake Garden in Sheung Wan. A small pack starts off with the mighty **Dr. Doom** in the lead. Up little Caine Lane the pack climbs up a sneaky staircase to Caine Road. At this point the mighty **Dr. Doom** turns into **Can't Find-The-Trail Guy** and gets lost, never to find the run. He huffs and puffs around Caine Road looking for Chinese birds and finally decides to head back to the Circle with his head down and no Chinese bird's phone numbers. A check breaks the pack into two with **Tinks** and **E&T** guessing (wrongly) the trail would climb Seymour Road. The true trail heads west along Caine Road and starts to climb Breezy Path. Ahh, familiar ground until another check and falsey turns the pack around at Lyttleton Road. Up Robinson Road and then a sneaky two-way On-On leads a scattered pack up Kotewall. Wham! A trick check breaks the pack up and Clever **E&T** finds the true trail up a set of hidden stairs at Jade Garden. Onto Conduit and another check. Kaboom! **E&T** again finds the true trail winding up Realty Garden Road leading up to the end of Po Shan. At this point the FRBs are **Tinks** and **E&T** with **Disco Ass** close behind. Run, run, run along the rarely used-Conduit trail. Breaking out at Old Peak Road, Olde Dog **Tinks** decides enough-is-enough and heads down the road regardless of markings. **Disco Ass** finds the true trail on Tregunter Path. Run, run, run to May Road, cross the street and head down the steep Brewin Path. A

sneaky, poorly marked check stops FRB **Coco** cold on Magazine Gap Road. He quickly recovers and **Disco Ass, E&T** and **Coco** continue to be FRBs down the well-worn “Track-O-the-Tram”. Down to McDonnell Road and a poorly marked trail leads West to Hong Kong Park. This is where **Hugh Watt** majorly f(*&^ed up as the park closes at 7:30pm. The FRBs find the true trail locked at this point. Chaos rears its head as all markings are lost. Thanks to this being in **E&T**s backyard the FRBs hoof it down Caine Road back to the little Caine Path staircase and On-Home. FRB Run time 1:10. Cheating Olde Guard, i.e. **Tinks** and **Pugak**, 0:55. Rearenders, **Irish Spew** and **Ima Moran** 1:25.

The Pre-Circle

Cool evening breeze punctuated by the nasty smell of some local’s fish head cooking oil, cold-beer, Pringles, orange pop. Typical bantering from a smallish number of Usual Suspects; **Coco, Disco Ass, Dr. Doom, Eggs & Tampons, Hugh Watt, Ima Moron, Irish Spew, Pugak, Tinks, Whippy**

**It shall be noted, observed and agreed upon that Kai Tak rules are in effect whilst in the Friendly Confines of Wanchai*

Hugh Watt has a date at Volume so he leaves the pack to decide the On-On. Trusty Ebenezer's it is. Miraculously **Tinks** does not hit a bus along the route AND manages to find the best, damn parking spot in all of Wanchai right in front of Ebenezer's. Unbelievable! For something truly different the pack heads to the Old China Hand where **E&T** and **Dr. Doom** discuss the sheer political beauty of Libertarianism vs. the complete and utter krap of Socialism.

"Kind of looks like an older, drunker, dumber version of Harry Potter."
