The Run

A **Coco** run starting at the well worn Aberdeen Sports Center. The pack starts off at a brisk pace along the water front on Aberdeen Praya before jumping onto a quick Sampan ride across the water to the Ap Lei Chai City Bus depot. Run like hell along Lee Wan Rd and then run like hell again along Lee Nam Rd heading towards Horizons Plaza. FRBs find the true trail heading up into the mists and clouds of Ap Lei Chau Mountain. The pack disintegrates inside Lei Tung Estates as a sneaky **Coco** on-on stymies everyone. FRB **Pussyfoot** finds the true trail doubling back above Lee Nam Street before making a U-turn on a switch back going to upper Lee Tung Estates. A fine bit of street and city running brings the scattered pack back to the T-Intersection of Ap Lei Chau Bridge Road. Shortcutters turn right and cross the bridge heading home. Virtuous and upstanding runners slog through lower Ap

Lei Chau town before heading across the bridge back home. Cheating FRBs time 50 minutes. Tail gunners 1:15.

Ap Lei Chau, the Land that Hong Kong forgot

Do you know this Hasher? His kind hasn't been seen since Wales was a world power in 1813.

The Pre-Circle

A damp cold evening next to the fragrant harbor of Aberdeen marina. Fragrant if you like the smell of diesel, cooking oils, dead fish and sewage. Punctuated with piss-warm beer, Pringles, peanuts and Coke Zero and typical bantering from a large group of Usual Suspects; **Caligula, Camel, Coco, Eggs & Tampons, Emma Royde, Ice Dancer, Irish Spew, Pesticide, Pugak, Pussyfoot, Rearend, Smallbone, Smegma, SOS, Squeak, Tinks, Whippy, No-Name Michael, No-Name Karl**

The Post Circle

**It shall be noted, observed and agreed upon that Kai Tak rules are in effect whilst in the Friendly Confines of Wanchai*

Coco sets up an ad hoc meal at the always great and sublime Chinese-Thai seafood restaurant. A frozen and ravenous pack sets off for this establishment. A sub-pack clique comprised of **Camel**, **Pugak** and **E&T** splinter off to Wanchai and feast at Ebenezer’s. A drunken Smegma drifts through Wanchai like a ghost. **E&T** and **Pugak** are entertained by the usual Camel antics in Boracay. A small subplot of the Camel show is as follows; **Camel**, “How much?” Bird, “\$\$\$”, **Camel**, “How much?!?!?!?”.

“Warm and Cordial Relations between the HM and VM get things off to a jolly good start”
