THE RUN

A-A from Catchick St Park in Kennedy Town. Up Pokfulam Road with a virgin trail across the Water Authority processing area into the Mt Davis underground reservoir site. Heavy shaggy trail to top of Mount Davis and a convoluted run round the batteries and bunkers. Trail down to Victoria Road and back to start. Approx 8km.

THE ON ON

From Haggis :

Joke Of The Week

A man walks into a bar with an octopus. He sits the Octopus down on a stool and tells everyone in the bar that this is a very talented octopus. "He can play any musical instrument in the world."

Everyone in the bar laughs at the man, calling him an idiot. So he says that he will wager \$50 to anyone who has an instrument that the octopus can't play.

A bloke walks up with a guitar and sets it beside the octopus. Immediately the octopus picks up the guitar and starts playing better than Jimmy Hendrix. The guitar man pays up his \$50.

Another bloke walks up with a trumpet. This time the octopus plays the trumpet better than Louis Armstrong. The man pays up his \$50.

Then a Scotsman walks up with some bagpipes. He sits them down and the octopus fumbles with it for a minute and then sits down with a confused look. "Ha Ha!" the Scot says. "Ye canie plae it, can ye?"

The octopus looks up at him and says "Play it?.... I'm going to f +ck it as soon as I figure out how to get its pyjamas off!"
